 The ICF Global Communities of Practice (CPs) are virtual groups of coaches interested in a specific topic area. These communities are designed to provide a platform for sharing best practices, emerging trends, tools and tips among ICF Members to advance their professional development.

[Communities of Practice: Learning as a Social System - The ...](#)

A pioneer of the community of practice research and author of *Communities of Practice: Learning, Meaning, and Identity* (Cambridge University Press, 1998), he helps organizations apply these ideas through consulting, workshops, and public speaking.

communities_of_practice [kstookit]

Communities vary greatly from each other by membership composition (e.g. very homogeneous or very diverse), dispersion (small and community-focused or international virtual networks), and purpose (very closely-defined or broad and far-reaching).

Community of practice - Wikipedia

A community of practice (CoP) is a group of people who share a craft or a profession. The concept was first proposed by cognitive anthropologist Jean Lave and educational theorist Etienne Wenger in their 1991 book *Situated Learning* (Lave & Wenger 1991).

AOTA Communities of Practice (CoPs) - AOTA

What is a community of practice (CoP)? Pediatric CoPs have been operating at AOTA for the past decade. Based on those successes, in 2018, pilot CoPs were launched within the Special Interest Sections.

Communities of Practice: Everything You Need To Know

Communities of Practice (CoP) is defined as an organized group of professional people who share the same interests in resolving an issue, improving skills, and learning from each other's experiences.

Nurse Practitioner's Association of Ontario |

Communities ...

Communities of Practice. Communities of Practice at NPAO are groups of NPs with similar interests looking for an opportunity to network and move initiatives forward in their respective communities of expertise.

4.6 Communities of practice Teaching in a Digital Age

The basic premise behind communities of practice is simple: we all learn in everyday life from the communities in which we find ourselves. Communities of practice are everywhere. Nearly everyone belongs to some community of practice, whether it is through our working colleagues or associates, our profession or trade, or our leisure interests, such as a book club. Wenger (2000) argues that a CPL Resource Communities of Practice - college-ecce.ca communities of practice. A professional learning goal could be to do additional research to learn more about A professional learning goal could be to do additional research to learn more about communities of practice and how to pursue, develop, join or engage in this professional

learning experience.
