Critical Race Consciousness : Reconsidering American ...

Despite the apparent racial progress reflected in Obama's election, the African American community in the United States is in a deep crisis on many fronts - economic, intellectual, cultural, and spiritual. This book sets out to trace the ideological roots of this crisis. Challenging the conventional historical narrative of race in America, Peller contends that the structure of contemporary

Critical Race Consciousness: Reconsidering American ...

Gary Peller's Critical Race Consciousness is a profound inquiry into the prevailing frameworks through which we understand race in America. His compelling critique of liberal integrationism alongside his rejection of postmodern understandings of race is a major contribution to scholarship and political struggle for freedom!
