Designing a More Inclusive World | Springer for Research ...

Designing inclusively is no longer an option for companies. It is a business essential. Global populations are getting older, legislation is increasingly prohibitive of unnecessary exclusion and consumer attitudes are beginning to change.

Designing a more Inclusive World | Centre for

Excellence ...

Designing a more Inclusive World. Professor John Clarkson, University of Cambridge Good design is good business. Research by the UK Design Council (2005) has shown that an index of design aware companies outperformed the FTSA All share index by over 200% in both bull and bear markets over a 10 year period. There are clearly other indicators of good business management apart from design
