A blistering exposition on the failed drug war policies that has lead to government negligence and malfeasance. The growing prison population and bisexual activity of many Americans is a direct result of this policy of denial.

Equitable Local Governance - Dan Mason - Google Books

A blistering exposition on the failed drug war policies that has lead to government negligence and malfeasance. The growing prison population and bisexual activity of many Americans is a direct result of this policy of denial. The continuation of this policy is due to bad politics and pork barrel budgets. America's denial of this failed policy
