Game Theory free essay sample - New York Essays  
The Game theory is a method to study the strategic decision-making. More formally, it is the study of the mathematical models of conflict and the cooperation between intelligent reasonable decision-makers. An alternative term suggested as a more descriptive name for the discipline is the theory of interactive decision. The Game Theory is mainly used in the economy, the political

Essay on Game Theory  
Essay on Game Theory: This was an exciting and mind-opening research project, and I really learned a lot from it. While difficult to choose what to say, and more importantly how to say it, I found the web site gametheory.net, which had a ton of information and where I got most of my information. I will be using quite a lot of passages from this site however, as it is

Game Theory Problems | Assignment Essays  
(The Employee Monitoring Game) Consider the employee monitoring game discussed in class (Lecture Notes 3, page 18): Suppose an employee in a company can either work or shirk. The manager of the company cannot directly observe whether the employee is working or not. However, the manager can pay a cost of \$10 to find out the employee's behavior. If the manager finds out that the employee shirks, the
