[FROM MEDICATION TO MEDITATION](#) This is a very  
important statement, because this means that disease is  
nothing but a way of life which a patient lives. Every man  
does not fall sick in the same fashion. Diseases also have  
their own individuality, their personality. It is not that if I  
suffer from TB and if you also suffer from TB, we both  
will be patients of the same kind. Even our TBs will

It is a great book, but the chapter 20 "A look into the  
future" is not written by Osho and it is obvious. Again the  
story of Jesus repeating. After death of the author all sort  
of manipulations and interpretations on the scriptures are

going bound to happen. Osho is talking of

[Medication and mindfulness meditation to treat ...](#)

The study shows that mindfulness meditation in combination with conventional medication treatment reduces blood pressure and stress levels, while improving mindfulness and mood more than medication coupled with health education. The findings appear to be clinically meaningful as a 3 mmHg reduction in systolic blood pressure can reduce stroke mortality by 8% and cardiovascular mortality by 5%.
