With "Kings of Peace, Pawns of War", Harriet Martin has excelled at the often difficult task of giving a human face to the peace-making mechanism of international politics. In fact, her book is very clear to reveal that "the mechanism" of peace-making is entirely human, made up of men and women, with all the human traits that entails - doubts, fears, insecurities, stubbornness and, occasionally, the highest possible principles humanity can achieve. Indeed, "Kings of Peace" is a very clever
