"Nightchild" (Pyr, \$16, 400 pages) takes more than a willing suspension of disbelief to make sense of what happens. But first, the background: This is book three in the Chronicles of the Raven, and the Raven is a small group of warriors and magicians who save the world while trying to keep from fighting with each other.

Nightchild - Chapter 9 - Wattpad

Chance was a roaring success by the standards of his friends and peers. Nate had to admit that he was better than he'd have imagined. It was obvious he'd been working on his music and training hard. But seeing him in person was what really cinched it. His presence would command any stage. John was
