School of Humanities and Social Sciences -

The School of Humanities and Social Sciences was established in 1994. It consists of four departments, namely Department of Sociology, Department of Public Administration, Department of Law and Department of Intellectual Property.

Operations Research -> Data Science : datascience

I studied Operations Research & Management Science at Berkeley (grad. '08), and am now a data scientist at a Bay Area tech company. I think it's a great foundation (there also weren't data science programs at the time), as I got lots of quantitative problem solving, and enough stats and coding to get my feet wet.
