Seriously looking to absorb my organic chemistry 1 coursework more- looking for a studybuddy to solve

problems together with 8 14 comments If a hydride or methyl shift can occur in a reaction, does it always do so?

**Organic Chemistry I As a Second Language: First Semester ...**

This is the second book I have read about organic chemistry - and I must say, this one was a lot better than the first. David Klein's intent is to help readers build intuition behind the subject and he does a very good job of doing just that. Really, the first 9 chapters of this book are very good.
