#### **Fiction of Postmodern America**

The site title is meant to suggest both a subject matter (postmodern American fiction) and a problem (that the concept of the "postmodern" is itself a fiction). While there is a body of literature and criticism that is often identified as postmodern, that concept, like all critical concepts, is merely a device that allows us to see some aspects of a text while obscuring others.

#### **American poetry - Wikipedia**

American poetry is poetry of the United States. It arose first as efforts by colonists to add their voices to English poetry in the 17th century, well before the constitutional unification of the Thirteen Colonies (although before this unification, a strong oral tradition often likened to poetry existed among Native American societies).
