Practice-Based Education Practice-Based Education practice-based education in international, professional education programs. There are three sections in the book: 1. Contesting and Contextualising Practice-Based Education 2. Practice-Based Education Pedagogy and Strategies 3. The Future of Practice-Based Education. Joy Higgs

Practice-based professional learning - Wikipedia Practice-based professional learning (pbpl) is understood in contrast to 'classroom-' or 'theory-based' learning. It is kindred to terms such as 'work-based learning', 'workplace' or 'work-centred' learning. Distinctive, though, are a concern for professional learning, and the preference for 'practice' rather than 'work'.

FMPE - Practice Based Small Group Learning Program

A valued and trusted learning experience - over 6,000 family physicians are using our best practice information and sharing clinical experiences with their peers.

Retrieval practice in practice - Evidence Based Education

This approach was a way of varying the conditions of practice, distributing practice, and using tests as learning events, all in one simple change to our lesson routines. To then provide contextual interference, using some of the principles of interleaving, these sessions would not necessarily be based on the text being studied in the lesson; they would be based on knowledge taught in the Practice-Based Education | Request PDF - researchgate.net
