Journal Abbreviation Sources is a registry of Web resources that list or provide access to the full title of journal abbreviations or other types of abbreviated publication titles (e.g., conference proceedings titles).

Protozoología - Wikipedia, la enciclopedia libre

La protozoología es el estudio de los protozoos, los protistas del tipo animal (los que son la motilidad celular y los heterótrofos). Este término se hizo obsoleto mientras que nuestro entendimiento de la relación evolucionaria de la célula eucariota ha mejorado mucho, sin embargo, hay una corriente minoritaria que considera al reino

biology - Dictionary Definition : Vocabulary.com

Biology is the study of life and living organisms, from one-celled creatures to the most complex living organism of all the human being. Biology includes the study of genes and cells that give living things their special characteristics.
