Cross-Cultural Psychology: Critical Thinking and ...

"The sixth edition of this classic textbook is a must-read for those in the fields of psychology and related social and behavioral sciences. It is an engaging and informative resource for anyone interested in learning how the intricate web of cultural customs, values, and norms permeate our lives and shapes us into who we are."

Psychology, 6th Edition - Cengage

PSYCHOLOGY, Sixth Edition, focuses on the functions psychological processes serve and the application of cognitive science. This practical approach presents the "why" before the "what," "how," and "where." Instead of memorizing abstract topics, students use critical thinking and active learning to see how psychology applies to them.
