The book *Public and Private Enforcement of Competition Law in Europe: Legal and Economic Perspectives* is

undoubtedly a valuable contribution to the discussion on the further development of private competition law enforcement in Europe. (Dražić V. Popović, European Business Organization Law Review, Vol. 16, 2015)

### **Private Enforcement of EU Competition Law | SpringerLink**

Traditionally, the enforcement of EU competition rules has been the exclusive jurisdiction of the European Commission, a regulatory system which is based on public law rules. During the last decade, two developments have reshaped the application and enforcement of competition law and policy in the EU and resulted in decentralisation and private enforcement. Since 2000, National Competition Authorities (NCA) can enforce EU competition rules in a parallel way, imposing fines, structural or

### **Public and Private Enforcement of Competition Law - A ...**

**Abstract.** We investigate the relationship between public and private enforcers introducing a more differentiated approach. In contrast to the existing literature, we take into account that the costs and benefits of detection and prosecution and, thus, the usefulness of each enforcement mode may change with a variation of the type of

### **Private Enforcement of EU Law Before National Courts**

Private Enforcement of EU Law Before National Courts provides an in-depth analysis of how, when, and why the EU legislates to facilitate the private enforcement of EU law before the courts of Member States.

### **Public and private enforcement of competition law - QPOL**

Public and private enforcement of competition law Dr Marek Martyniszyn recently invited guest speaker, David George, to share his thoughts on public and private enforcement of competition law with undergraduate students taking a Competition Law module here at Queen's University Belfast.

### **The Interaction of Public and Private Enforcement of ...**

The paper looks at the most important substantial rules of tort law (damage, causality, joint and several liability), the co-operation of competition authorities and civil courts, as well as at (the lack of) class action procedures from the perspective of the interaction of public and private enforcement of competition law.
