**The Role Of Boards Of Directors In Small Companies**

Boards of Directors are common among high-tech start-ups and fast growing companies, and are mandatory for public companies. They are, typically, key contributors to the success of those companies. Most boards of directors are composed of experienced businesspersons, investors and others who can provide expertise in the direction of the venture. They yield sufficient power to replace the **9781118443668 - Startup Boards: Getting the Most Out of ...**
