The Fall of France in 1940 is one of the pivotal moments of the twentieth century. If the German invasion of France had failed, it is arguable that the war might have ended right there. But the French suffered instead a dramatic and humiliating defeat, a loss that ultimately drew the whole world into war.

Julian Jackson has written a very interesting book on the German invasion of France in 1940, called (simply enough) The Fall of France: The Nazi Invasion of 1940. In it, Jackson attempts to show his version of why France fell, and whether or not it was inevitable. Were the Germans just too powerful? Was the new Blitzkrieg warfare just too much for the incompetent French soldiers? Jackson uses
