That the Chronicle also affords invaluable evidence for the development of the English language, since it was almost entirely written in the vernacular, has less often been emphasized. Now, there cannot be any doubt that from this point of view the most important of its versions is the Parker Chronicle, since it is the oldest, and was written down over a period of close on two centuries. It is

The Language of the Parker Chronicle ISBN: 9789024715305 \$ 149.00 \$ 126.65. The reception accorded to the first volume of this book has encouraged me to redeem my promise to write a sequel on the word formation and syntax of the same text. (It is hoped that my edition of the text which forms the basis of these studies will appear in due course.) Since these aspects of Old English
