Project Ice Storm - MAFLADOC.COM

PNMS may also have altered the usual trends in sex differences, as noted above. Despite the limitations, results of the present pilot study contribute to the PNMS literature. To our knowledge, this is the first prospective study of the effects of PNMS on asthma outcomes that assessed an independent, naturally randomized stressor. Moreover, the offspring's age in this sample increases the **The Future of Children by Military Child Education ...**

The Future of Children and the Military Child Education Coalition jointly developed this issue of the journal to promote effective policies and programs for military-connected children and their
